

National Leadership Conference for State Officers (NLC SO) July 28-31, 2008

In July, state officers attended National Leadership Conference for State Officers (NLC SO). They travelled to Delaware and attended the conference with five other states – DE, MD, WV, VA, and PA. National FFA Officers Morgan Parker and Becky Sullivan presented the conference which focused on team development and project planning. State Officers began their preparation for COLT at this conference using the magic formula – a technique for developing workshops and speeches.
